Re: Records relating to SO2 Nonattainment Designation for Pekin, IL

Dear Sir or Madam:

Pursuant to the Freedom of Information Act, I request copies from the United States Environmental Protection Agency ("U.S. EPA") of all records in U.S. EPA's possession relating to the designation of the Pekin, Illinois area as nonattainment for Sulfur Dioxide by U.S. EPA., published at 78 Fed. Reg. 47191 (Aug. 5, 2013) including, without limitation, copies of all correspondence relating to the Pekin, Illinois designation and copies of all technical data reviewed and/or relied upon by U.S. EPA in making that determination.

I request that this information be immediately released. If portions of the requested material are exempt from release, please forward the remaining non-exempt portions. In the event that any part of my request is denied, please list the specific exemptions on which you are relying to withhold the information.

We will pay all costs of copying as required by the agency. Please forward an invoice with the copies of the requested documents.

Please do not hesitate to call me if you have any questions regarding the above request.

Very truly yours,

Kathryn McCollough Long
